ORDER

This is a lawsuit seeking to collect a federal judgment from a 2004 case. After reassignment to this court, the Court held a status conference to discuss trial and any pending issues. At the hearing, the defendants' counsel asked the Court to consider allowing motions for reconsideration of several prior rulings from judges formerly assigned to this case.

The Court reviewed the rulings in question and agrees with the opinions and judgments of the prior judges. Accordingly, the Court will not entertain motions to reconsider prior rulings in this case. The Court will not move the May 3, 2021 trial date. By separate order, the Court will set forth its pretrial procedures.

IT IS SO ORDERED this 30th day of November, 2020.

BRANTLEY STARR

UNITED STATES DISTRICT JUDGE
